

We believe in the power of collaboration and contribution to bring about the change that we want to see. At DB Tech, we are embarking on a journey with a purpose. Mission 2020 – To impart market oriented employment linked training to 20 lakhs youngsters by 2020. We invite you to be a volunteer with DB Tech and be the change.

'Freedom with 5' is an exclusive volunteering programme developed by DB Tech, keeping in mind the needs of our beneficiaries and the unique nature of volunteerism today. Here, you can donate an amount as small as Rs 5, or multiples of five, and make a world of difference in the lives of the less fortunate. 'Freedom with 5' donations will be used for the five following objectives:

1. Uniforms
2. Meals
3. Livelihood training

Changemakers,  
ahoy!

You can be the change, by contributing your time as well. As a volunteer with DB Tech you can contribute five hours (or multiples of five) towards the following activities as per your competencies and interests:

1. Labour market research
2. Curriculum designing
3. Trainee mentoring – imparting life skills/ soft skills
4. Placement networking
5. Network mentoring and fund raising

For more information on any of the options or to get involved, please mail us at [mail@dbtech.in](mailto:mail@dbtech.in) with 'Volunteer' marked in the subject line. To make a donation, you can draw out a cheque favouring 'Don Bosco Tech'. All donations are exempt from tax as per the provisions under 80(c) of Income Tax Act.
